## X-Guard® X-Key

X-Guard is a completely new range of machine guard that complies with the Machine Directive's demands on permanent guards from 29 December, 2009. With its wide range of standard components and accessories, X-Guard is guaranteed to cover all possible machine guard needs.

A unique key designed for the rapid release of a panel. Forget all other tools. The X-Key is all you need. One X-key is included in all deliveries.
